

GREENPLUG

PAPERPOTS

INTRO

 Green Products staat bekend om de Greenplug, een paperpot van hoog niveau. In deze brochure vindt u een overzicht van onze standaard trays. Wilt u een andere tray gebruiken? Ook dan kunt u bij ons terecht. We investeren continu in de optimalisatie van de Greenplug en denken graag met u mee.

Wat vaststaat is dat elke Greenplug een stabiele basis combineert met een optimale voedingsbodem. We creëren een mengsel dat perfect aansluit bij wat uw gewas nodig heeft. Het resultaat? Een gezond en sterk product waarmee u zich onderscheidt in de markt.

 Green Products is known for its Greenplugs: high-quality paper pots. In this brochure you will find a survey of our standard trays. If you'd prefer to use a different tray, that's no problem; we will gladly meet your specific requirements. We constantly invest in ways of optimising our Greenplugs and like to think along with our customers.

Every one of our Greenplugs combines a stable basis with an optimum substrate. We create mixtures that perfectly meet your crops' requirements. And the result is a healthy, strong product enabling you to distinguish yourself in the market.

 Green Products stellt den Greenplug her, ein qualitativ hochwertiges Anzuchtöpfchen. In dieser Broschüre finden Sie eine Übersicht unserer Anzuchtgefäße. Auch wenn Sie das Produkt Ihrer Wahl dort nicht finden, helfen wir Ihnen gerne weiter. Wir investieren ständig in die Weiterentwicklung des Greenplug und entwickeln gemeinsam mit Ihnen das für Sie optimale Konzept.

Alle Greenplugs kombinieren eine stabile Basis mit einem optimalen Nährboden. Wir haben eine Mischung entwickelt, die Ihren Pflanzen alle notwendigen Nährstoffe bietet. Das Ergebnis? Ein gesundes und kräftiges Produkt, mit dem Sie sich auf dem Markt behaupten werden!

 Green Products doit sa réputation au Greenplug, un bouchon en papier de qualité supérieure. Dans cette brochure, vous trouverez un aperçu de nos plateaux standard. Vous souhaitez utiliser un autre plateau ? Dans ce cas, vous pouvez également vous adresser à nous. Nous investissons sans cesse dans l'optimisation du Greenplug et nous nous faisons un plaisir de co-réfléchir avec vous.

Une chose est sûre, chaque Greenplug allie une base stable et un milieu de culture optimal. Nous créons un mélange qui est parfaitement adapté aux besoins de vos plantes. Le résultat ? Un produit sain et vigoureux qui vous permet de vous démarquer dans le marché.

 A Green Products se le conoce por su Greenplug, un taco de papel de alta calidad. En este folleto encontrará una relación de nuestras bandejas estándares. Pero si desea otro tipo de bandejas, también podemos atenderle. No dejamos de invertir en la optimación del Greenplug y, con mucho gusto, cooperamos con usted en esta labor.

Como bien sabe, cada Greenplug combina una base estable con un medio de cultivo óptimo. Creamos una mezcla que responde perfectamente a las necesidades de su cultivo. El resultado: un producto sano y fuerte con el que usted se distinguirá en el mercado.

 Green Products è famosa per il Greenplug, un vaso di carta di grande qualità. In questo opuscolo trovate una panoramica dei nostri vassoi di formato standard. Volete usare un altro vassoio? Anche in questo caso possiamo aiutarvi. Facciamo investimenti costanti nell'ottimizzazione del Greenplug e prendiamo in considerazione le vostre necessità.

Una cosa è certa: Greenplug rappresenta una base stabile che ben si combina con un terreno nutritivo ottimale. Creiamo un mix che risponde perfettamente a tutto quello di cui le vostre piante hanno bisogno. Il risultato? Un prodotto robusto e sano, con cui potrete contraddistinguervi sul mercato.
